Thank you for you for interest in Billy's Pet Dog Training!

One of Billy's staff members will be in touch with you shortly to notify you of the result of your booking and to discuss payment. Please note that full payment must be received before a place in a group class can be confirmed.

TERMS & CONDITIONS

Before bringing your dog to training classes, it is important for you to read and understand the following. Please feel free to ask any questions before agreeing.

Canine behaviour is complex and is influenced by many factors including socialisation, genetics and environment. Dog training classes do not guarantee a perfectly behaved dog, they are simply the first step in the right direction. Socialisation and training must continue throughout the dog's life.

You agree that the information provided in the Pooch Profile is used to ascertain the suitability of your dog for group training classes. You understand that the results provided may deny acceptance into group classes. Private lessons and/or behaviour consults may be offered in these circumstances at the discretion of the trainer.

Dogs attending classes must be clean and free of fleas, wormed and vaccinated. If your dog is ill or injured, it is advisable not to attend class. It is not appropriate for a bitch in season to attend training. Please call the trainer to discuss these circumstances prior to the scheduled class.

Children in Class

Children make wonderful dog trainers and are encouraged to attend. Safety is a priority when working with dogs and children. All children under the age of 15 must be accompanied and supervised by an adult at all times. If you would like to bring a child under 7 to class please arrange for another adult to sit with them and enjoy watching you train. In the interest of safety children are not to approach dogs in class unless both the parent and owner of the dog have given express permission. Parents are to take responsibility for their children's safety and ensure they are not disruptive to the class.

Refund & Transfer Policy

Fees are non-refundable. Once a course has commenced refunds will not be given. If you are uncertain as to whether the training courses offered suit your individual needs you are welcome to watch a class prior to booking.

Visitors are always welcome!

Classes are non-transferrable after commencement of the course. If you are unable to attend a scheduled lesson please contact your instructor. Course notes can be emailed to you but make-up classes are not available.

Classes are generally not run over long weekends, however please confirm with the trainer.

Aggressive or highly aroused behaviour

The trainer reserves the right to deny training for any dog that is showing signs of aggressive tendencies towards other dogs or people in the class. The balance of fees may be used towards private training lessons to assist with behavioural modification. A referral system is also in place to deal with problem behaviours.

Your feedback is valuable

If you are experiencing difficulty or have any concerns regarding the training program or techniques used, please discuss with the trainer immediately after class. We will do our best to assist you to achieve your goals.

Waiver

By agreeing to these Terms & Conditions you consent that information provided in the Pooch Profile & Booking Form is true and accurate to the best of your knowledge. You understand that for the safety of both dogs and staff that you must express any knowledge of known behavioural/aggression problem that your dog has with other animals, toys, food or humans. The client is solely responsible for any harm or injury caused by their pet to other dogs or humans whilst in the care of Billy's Day-Care for Dogs.

By agreeing to these terms & conditions I hereby waive Billy's Day-Care for Dogs of any liability of any nature for injury and/or damage that I or my dog may suffer while attending training sessions on the grounds or surrounding areas. I expressly waive any and all claims against Billy's or its employees for any loss or damage due to theft, disease, fire, escape, injury or illness or other unavoidable causes, for which due care and diligence have been exercised.
